

To Whom it May Concern,

It's my absolute pleasure to discuss Chloe Osborn.

Chloe previously worked in my self-contained Autism classroom during 2021's summer school session and went above and beyond with my students!

I thoroughly enjoyed my time working with Chloe and came to know her as a truly valuable asset to my classroom while she was here. She is honest, dependable, and incredibly hard-working. Beyond that, she is compassionate and determined. She would jump right in when needed and was amazing with any student she came into contact with!

Her knowledge of special education and willingness to learn more about Autism during her time with us was a huge advantage to our classroom. Chloe would seek to learn more about Autism and the students she interacted with by reaching out for research, asking questions, and creating her own lesson activities. She was innovative with new teaching methods and approaches during her time with students and was always seeking out new and fun ways to engage students.

Along with her undeniable talent, Chloe was an absolute joy to work with. She was a true team player, and always managed to foster positive discussions and bring the best out of others who come into contact with her.

Without a doubt, I confidently recommend Chloe. As a dedicated and knowledgeable young woman and an all-around great person, I know that she will be a beneficial addition to any organization.

Please feel free to contact me at 815-280-9536 should you like to discuss Chloe's qualifications and experience further. I'd be happy to expand on my recommendation.

*Best wishes,
